

May 25, 2008

I have never had a real estate quite like Reba Haas and her team. From the moment I first spoke with her, she was researching the home I had been trying, unsuccessfully, to sell with another agent. Within a week, she had a game plan that included cleaning, staging, professional photography and online advertising. By the end of the second week, she presented me with 3 offers, and two weeks after that the transaction was closed.

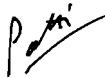

One thing I appreciated was that I received updates each day so I knew exactly what was happening. She was very accessible by phone and email. When going over the listing and sales agreements with her, I discovered she had a deep background in law and finance and was extremely ethical and "by-the-book". I felt she was truly looking after my interests in the negotiations, not just trying to close a deal/

The team of professionals Reba worked with was extensive, and her contacts at Countrywide and Cobalt Escrow were able to meet our two week timeline, including a refinance on my current home.

Reba was always professional, but friendly and fun, too! She was a joy to work with.

I have and will continue to recommend Reba Hass and Team Reba to anyone I know who is either buying or selling.

Sincerely,
Patti Cross
