This wonderful 5 bedroom home has been completely remodeled over the past 2 years. Several thoughtful additions, updates and upgrades have been completed including new furnace, water heater, plumbing and wiring. Cat-5 is throughout the home making life easy for the tech savvy owner. Two laundry areas make chores a snap, and a 2nd kitchen provides a great way to have snacks handy when enjoying the family room in the walk-out basement—perhaps turn this into the media room you've always dreamed of. Large yard provides a place to play or relax.

Which deck area will house your BBQ?
